

Cheesy Rice

Ingredients:

4 cups water
1 Tbsp salt
2 Tbsp butter
1 ½ cups medium grain rice
3 slices American cheese

Bring water, salt, and butter to a boil. Stir in rice, cover, and put stove on low. Cook 15-20 minutes, or until rice is tender, adding more water as needed. Remove from heat, rip cheese into smaller pieces and stir it into the rice until it's completely melted.

Feel free to add more cheese as desired.
